

**REPORTING TITLE I D, SUBPART 1, ASSESSMENT
RESULTS FOR ENTRY INTO THE STATE CONSOLIDATED
PERFORMANCE REPORT FOR 2007-08**

**Wisconsin Department of Public Instruction
Madison, WI
May, 2008**

General Information

1. Reporting Period

The reporting year to be covered is the school year beginning July 1, 2007 through July 30, 2008.

2. Reporting # of Students

When reporting # of students, include only students receiving Title I D funded services. Other students in the facility not receiving services should not be included in the numbers reported.

3. Reporting # of Facilities

Report only for type of facilities that received Title I D funding to support supplementary programs.

4. Average Length of Stay

See attached sheet for guidance in calculating average length of stay.

5. Long -Term Students

When reporting academic achievement results for reading and math (Table VII), include only long term students who were in placement for 90 or more consecutive days.

6. Unduplicated Counts

An unduplicated count is one that counts students only once, even though they may have been admitted to a facility or program multiple times within the reporting year.

7. No cells should be left blank

When an item is not applicable to your particular agency programs enter NA; when the item is applicable, but 0 is a valid response for the reporting year, enter 0.

Guidance for Data Tables

Table I - FACILITIES AND STUDENTS

Find the type of Facility/Program Type that is operating Title I D funded programs. Indicate how many facilities have Title I D funded programs. Compute the Average length of Stay (days). See attachment for guidance. In the final column provide an

unduplicated count of students. Count a student only once even if they were admitted to the institution more than once during the reporting year.

Table II - STUDENT DEMOGRAPHICS

Report demographic data on total number of Title I D served students. Report unduplicated counts in the three categories of Race/Ethnicity, Gender and Age. Total each category of these three categories and make sure the total is congruent with the number reported for All Students. Note we are reporting Age differently than last year when we reported for age ranges. You are reporting # for each specific age. Be sure to enter zero when there were no students served at a specific age.

Table III - STUDENTS WITH DISABILITIES

Report unduplicated number of students with learning disabilities served in the Title I D programs during the reporting period. See the attachment that includes special education categories of disabilities.

Table IV - ACADEMIC OFFERINGS/OUTCOMES/# OF STUDENTS

Report the number of facilities/programs that received Title I, Part D, funds that awarded at least one high school course credit, one high school diploma, and/or one GED within the reporting year.

Table V - ACADEMIC OUTOMES/NUMBER OF STUDENTS

Report the number of students who attained the academic outcomes listed in the first column during their time in the facility/program, OR within 30 days after exit. Students may be counted in more than one outcome category, e.g., returned to school and earned high school credits.

Table VI - VOCATIONAL OUTCOMES/# OF STUDENTS

Enter the number of students served in Title I D who attained the vocational outcome listed in Column 1 during their time in the facility, or within 30 days after exit.

Table VII - ACADEMIC PERFORMANCE OF LONG TERM STUDENTS IN READING/MATHEMATICS

Complete the columns for Reading and Mathematics Academic Achievement as requested below:

Report the number of long-term Title I D, served students who were in placement between July 1, 2007 - July 1, 2008, for 90 or more consecutive days, in row 1. This number should not exceed the number of unduplicated students reported in Table II for all students.

Report the number of the students from row 1 who tested below grade level upon entry in row 2.

Report the number of students from row 1 that took the pre- and post test exams in row 3.

Enter totals for items 4-8. Sum these totals: note the sum of numbers entered for 4-8 must agree with the number entered in Row 3.

After completion of the report, submit to the Wisconsin Department of Public Instruction's Title I office, attention Kathryn Olsen, Title I D Program, Office Operations Associate.

The due date is August 30, 2008.
